Walking Frame With Wheels/Castors

Lightweight and durable walking frame with front castors for smooth movement.

KES 5,000 (indicative; the quotation confirms the final price)

FEATURES

- Lightweight and durable walking frame with front castors for smooth movement.
- Adjustable height to accommodate different user preferences.
- Sturdy aluminum construction ensures stability and long-term reliability.
- Two front wheels (castors) for easier maneuverability without lifting.
- Rubber-tipped rear legs provide extra grip and safety.
- Ideal for elderly individuals and patients in rehabilitation.
